*CCSG Reports

THON- We discussed possible other ways to make money other than canning; donation boxes, requests from companies, and alternate fundraisers. We also talked about the changes that will occur during THON weekend.

Academic Affairs- Math Replacement that will be installed next fall that students will have 3 shots at to be placed in the correct math classes. Engaged Scholarship will promote students in getting internships for their major or studying abroad with no cost. We also talked about advising and discussed some problems and solutions

Student Life- No place for hate is no longer working with campuses so we want to start PSU loves you which will basically have the same objectives as no place for hate. There will be a CCSG dance competition in December so make a team! The student life diversity summit will be in the spring.

Student Affairs- We discussed what all fees can be used for and where the money exactly goes.

Governmental Affairs- Discussed the Engaged Scholarship. Computer system that allows you to vote on Election Day. It wouldn't make sense for us to do being that it is \$2,000 for a one day rental. We also discussed reforming advising. Senate bill 410- The board of trustees is going through big changes so the governor will be appointing a student from University Park and a Commonwealth Campus to sit on the board with them. They must meet certain requirements.
