SAF Discussion

1<sup>st</sup> Rob 2<sup>nd</sup> Jim

- Rob - This increase (\$8) is less the chicken strips in the cafeteria - Will add \$5000 to the SAF account
- Engineering Rep - The chancellor considers the students vote as the most important, although he is the ultimate decision.
- Can we find out exactly where this extra \$\$\$ goes? Yes SAF minutes will be emailed out.
- Isaura – this will benefit everyone on campus, more fun!
- Shubert – its complete crap that we are raising this, its “fun” money. \$82 is high enough. If you want more money fundraise it.
- Alex – this will benefit the campus as a whole. Ex. Lion Texting
- Kiley – wants more money for clubs, fundraising takes a lot of time
- Ryan – The campus paper is funded by SAF, we can give them all the money they want to produce issues.
- Kate – clubs don’t usually get all the \$\$\$ requested anyway
- Gallery – wants to take advantage of all trips. I pay the IT fee but I dot use the lab that much, so should I not pay that?
- Should the senate vote on all club trips?
-
