- IV. Officer Report
 - a. President –
 - i. SFF – lots of progress last meeting! Updating blue screens to become more appealing with new software – money designated to update furniture on first floor of TC.
 - ii. ARB is short on money Chancellor Davis suggested we take \$50,000 from SFF to assist.....Discussion: that building is used for 5 other campuses they should match what we give to the fund...SFF is not meant for that, does that fit the guidelines of what SFF can be used for?...Kathie – this building will be used for job fairs with other campuses but mainly for us, SFF IS for construction, the SFF board also does not agree with this allocation of funds... this will be used for academic purposes not recreational...whatever we raise the donor (Suthers) will match...the money needed is to pay back the loan used to build it.
