VII. New Business

Chris: I want to create an event on campus around the end of spring semester like river fest. I would like it to be a concert near Hayfield and everyone is allowed to come and watch. Maybe get a country singer like Jason Aldean. We'll have to see if he can do it as a charity event otherwise it will be crazy expense and money made will go to THON. Other bands allowed to come as well.

Carmen: Maybe plan a week of events and end with that. We are planning on doing another 5K. Have clubs do different events all week. Bring more students to campus.

Ryan: The idea came from doing larger events because University Park is hosting a new event to help with St. Patty's day. They are doing a weeklong festival of music, art, and comedy.

Megg: Can we do multiple different charities not just THON?

Mike: Maybe get Misericordia involved?

Chris: Any university can help, but we want it here.

Megg: If we involve other schools they might have an issue giving money to THON.

Motion to table this and set up meeting 1st Taylor 2nd Mike
