Motion to recognize Joe G 1<sup>st</sup> Ethan 2<sup>nd</sup> Megg

Megg: Can students move their cars to the school parking lot until they plow the parking lot?

Ed: That's a poor excused. The parking lot is terrible and it's a sheet of ice. I have no issue moving my car so that they plow.

Alex: I also talked about setting up a system to have the students move their cars to the TC Parking lot. She said that she would look into doing this.

Kathie: There is strength in numbers and the more students that talk to her could help this cause. Our staff has no issue with students moving their cars to the TC Parking lot.

Ed: Is there any chance that the university could plow the lot like in the past they do a much better job.

Kathie: I'll speak to Gary.

Jackie: I'm sorry for having to cancel five events due to weather. We are trying to get another blood drive before THON. The pasta dinner for THON that was planned for tomorrow night is postponed due to lack of participation. There is a whole bunch of stuff coming up next week so look at your calendars! There is a pieing of Dr. Lozano, Dr. Davis, and Michelle for THON. Next Wednesday is the Valentine's Day party. We need 8-12 students to help decorate for the basketball game. It is a white out game! We will start around 3- 3:30 for decorating.

None

VIII. Old Business

Megg: Any place you walk you are liability to fall. I pay enough money that they shouldn't be this bad.

Mike: What time would they plow the parking lot? One time I parked and I was nowhere near in the lines.

Eric: There is only 3-4 people working on the sidewalks. We are adults grow up! With the wind chill everything freezes even after it's been salted. If you don't want to slip get ice fishing boots.

Ethan: Salt only works down to a certain temperature.

Megg: There was a lack for a respect.

Ryan: If you would like to help you can easily volunteer.
